

**TRANSFER OF HOSTING ACCOUNT AND/OR DOMAIN NAME**  
**RE: UNAVAILABILITY OF CURRENT REGISTRANT**

If the Current Registrant refuses to sign the REGISTRANT/CUSTOMER TRANSFER AGREEMENT then your Domain Name or Hosting Account **WILL NOT** be transferred by IPOWER. For additional information, see the UNIFORM DOMAIN NAME DISPUTE RESOLUTION POLICY published at [HTTP://WWW.ICANN.ORG/UDRP/UDRP.HTM](http://www.icann.org/udrp/udrp.htm).

If the Current Registrant cannot be found or reached after good faith diligent effort and you wish to transfer the ownership (i.e., change registrant/customer name) for a hosting account and/or domain name registered with IPOWER, INC. and IPOWERWEB INC. ("IPOWER"), you will need to follow **ALL** of the directions below:

1. Submit the WHOIS record for the domain name or information regarding the hosting account.
2. Prepare a declaration (an example is attached below) which includes **ALL** of the following pertinent:
  - a. The last known address and e-mail of the Current Registrant.
  - b. The applicant must state his or her relationship to the Current Registrant.
  - c. The application must be accompanied by proof that the Current Registrant cannot be found or reached after a good faith diligent effort. *NOTE*, the declaration of facts should be submitted that fully describes the exact facts that are relied on to establish that a diligent effort was made. The fact that a Current Registrant is on vacation or out of town and is therefore temporarily unavailable to sign the declaration is not an acceptable reason. Such an application will be denied. The affidavit or declaration of facts must be signed, where at all possible, by a person having firsthand knowledge of the facts recited therein. Statements based on hearsay will not normally be accepted. Copies of documentary evidence such as certified mail return receipt, cover letter of instructions, telegrams, etc., that support a finding that the Current Registrant could not be found or reached should be made part of the affidavit or declaration. It is important that the affidavit or declaration contain statements of fact as opposed to conclusion.
  - d. The applicant must prove that the filing of the application is necessary (1) to preserve the rights of the parties or (2) to prevent irreparable damage.
  - e. The applicant must submit a declaration signed under penalty of perjury that must be notarized. Where a corporation is the applicant, an officer (President, Vice-President, Secretary, or Treasurer) thereof must sign the necessary declaration.

**PLEASE NOTE THAT PERJURY IS DELIBERATELY GIVING FALSE TESTIMONY; THE ACT OR CRIME OF KNOWINGLY MAKING A FALSE STATEMENT (AS ABOUT A MATERIAL MATTER) WHILE UNDER OATH OR BOUND BY AN AFFIRMATION OR OTHER OFFICIALLY PRESCRIBED DECLARATION THAT WHAT ONE SAYS, WRITES, OR CLAIMS IS TRUE.**

3. The applicant **MUST** also submit **ALL** the following documents:
  - a. A letter (on Company letterhead) requesting the transfer.
  - b. A certified copy (i.e., government issued and stamped) of the Company's formation documents (e.g., Articles of Incorporation);
  - c. A copy of a valid governmental issued identification (with the Current Registrant's signature appearing on the identification); and
  - d. A copy of a utility bill corresponding with the address on the Company's letterhead and/or Current Registrant's identification.
4. ***Applicant must pay an administrative fee of \$25.00 for the transfer of its domain name/hosting account to New Registrant.*** Current Registrant may complete the attached credit card authorization form or submit a cashier's check or money order for payment.
5. If the declaration, and evidence submitted with the declaration, is not found acceptable, IPOWERR may deny the application.
6. IPOWERR shall forward the applicant's application and supporting documentation to the Current Registrant. The Current Registrant may subsequently join in the application on filing a declaration or refuse to join in which case the application will be denied.
7. Make a copy of the application for your records, then ***send the original along with the other supporting documents to IPOWERR, INC., Attn: Ownership Transfer, 919 E. Jefferson, Suite A, Phoenix, AZ 85034 USA.*** Applications submitted via facsimile will not be accepted and will be discarded.
8. IPOWERR reserves the right to accept or reject your transfer request for any reason in its sole and absolute discretion.
9. Your request will be processed in 14-21 business days from the date of receipt by IPOWERR.

**APPLICATION FOR TRANSFER OF DOMAIN NAME/HOSTING ACCOUNT**

*CHECK THE APPROPRIATE TRANSFER BOX
